

УЧЕБНЫЙ ПЛАН

программы подготовки специалистов среднего звена

Санкт-Петербургский техникум железнодорожного транспорта-структурное подразделение федерального государственного бюджетного образовательного учреждения высшего образования «Петербургский государственный университет путей сообщения Императора Александра I»

наименование образовательного учреждения (организации)

по специальности среднего профессионального образования

23.02.06

Техническая эксплуатация подвижного состава железных дорог

код

наименование специальности

по программе базовой подготовки

Техническая эксплуатация подвижного состава железных дорог (эксплуатация высокоскоростного подвижного состава)

уровень образования среднее общее образование

квалификация:

Техник

форма обучения

Очная

Срок получения СПО по ППССЗ:

2г 10м

год начала подготовки по УП 2020

профиль получаемого профессионального образования

при реализации программы среднего общего образования

Приказ об утверждении ФГОС

22.04.2014

№ 388
